Notes: Due to continuous upgradations, product specifications may change from time to time. Please verify the actual product for correct specifications, before purchase. • Please see physical product before final selection. • Warranty of the product will become null and void if the installation is not done as recommended and/or if not done by qualified technicians. • The colours of ceramic/plastic/stainless steel products and those of printing inks do not match exactly. Therefore, colour selection may be done from actual products. • Whilst every precaution is taken in the compilation of our catalogue, we do not accept responsibility for any error or omission. • All dimensions are in millimetre (nominal) • Dimensional variations are inherent to ceramic products and tolerances may be $\pm 2\%$ or as allowed/specified by BIS or company's quality norms. • Sizes mentioned are approximations only. For exact product size refer to the respective technical drawings.
